HOLIDAY HOMES

"I am delighted to introduce the 2019 range. With a variety of new stylish designs this is an exciting start to the year."

Nigel Heslington, Managing Director

"It takes the whole team to create the perfect holiday home. Great care is taken to ensure that each model is not only stylish but also practical."

Mike Clifford, Design Director

Imagination and Passion

Regal Holiday Homes are proud to present what we consider to be our most comprehensive and imaginative range yet. Our design team have worked hard to ensure each model encompasses its own theme and unique styling. Offering a wide range of models for 2019 from the new Hemsworth featuring an internal Brise Soleil to the beautifully re-modelled Artisan with bold and luxurious fabrics.

Stain Resistant Carpets

All Regal Holiday Homes come with easy care stain resistant carpet, containing 100% polypropylene fibres enhanced by 8mm **TREDWARE** underlay.

Superior Seating & Fabrics

All 2019 Regal Holiday Homes come with high quality seating designed for your comfort. All our seating comes with luxury reflex foam and fibre filled cushions where applicable. All of our fabrics have been put through rigorous testing for durability, longevity and prolonged use.

Clever Storage Ideas

The 2019 range cleverly utilises available space within your holiday home. This is done without compromising on aesthetics to give as much storage space as possible.

Contemporary Furnishings

Our in-house design team are continually researching and following latest trends in order to ensure our model range meets expectations. Bespoke furniture is tailor made to complement and enhance the final designs.

Energy Efficient

At Regal Holiday Homes we strive to make each model as energy efficient and practical as possible. All our holiday homes are fitted with low energy lighting and energy efficient boilers as standard.

Latest Technology

Ranging from soundbars with Bluetooth connectivity to practical USB sockets, Regal Holiday Homes ensures each model is fitted with up to date technology throughout our range.

SYMPHONY LODGE

QUALITY CONSTRUCTION
SUPERIOR SPECIFICATION

SYMPHONY
LODGE

The spectacular Symphony Lodge continues to set the highest of standards for caravan holiday homes. At an impressive 41' x 14' the Symphony lodge remains the flagship Regal model.

SYMPHONY
LODGE

The Symphony is the perfect example of style and elegance with its opulent tobacco oak wood and sumptuous gold and purple fabrics giving a sense of unrivalled luxury. It's sure to impress as soon as you step inside, not only with the high attention to detail but also how spacious the Symphony really is.

SYMPHONY
LODGE

A large open plan kitchen is at the heart of the Symphony, perfect for entertaining family and friends. The well planned, fully fitted kitchen features an integral breakfast bar, marble effect worktop, high level integrated appliances, designer cooker hood and a large American style fridge freezer.

The luxuriousness of the Symphony is continued into the master bedroom with the impressive new gold feature wall. This is complemented by the elegant purple buttoned headboard and stunning unique wall lights. The clever use of space means the Symphony includes a large wardrobe, separate dressing table area with locker storage above and an en-suite.

ARTISAN LODGE

BLENDING MODERN DESIGN
WITH BOUTIQUE STYLING

ARTISAN LODGE

The 41' x 14' Artisan Lodge boasts bold boutique styling combined with a new master bedroom suite making it set to impress for 2019.

Entering the Artisan feels like stepping into a penthouse apartment with eye-catching boutique styling all around. The decadent fabrics and plush furniture create an inviting space to relax, whilst the wide patio doors and large windows allow you to enjoy your views to the maximum.

The kitchen blends style and practicality with features such as a large dining table with 6 high back chairs, making it the ideal space for hosting family and friends in comfort.

Relax on a summers day with a glass of wine chilled from the inbuilt wine cooler. The Artisan includes an array of high end appliances as standard, from the large American style fridge freezer to the designer cooker hood and five burner hob the Artisan is sure to meet your expectations.

The newly designed master suite is a stand out feature for the 2019 Artisan Lodge. Luxurious fabrics and the designer headboard create an inviting retreat ensuring your complete rest and relaxation. Light pours into the space through the windows either side of the bed meaning your views are never far from sight within the Artisan. The spacious suite incorporates a large in-built wardrobe, en-suite shower room (2 bed model) and a large vanity area with drawer space.

HARLINGTON

THE HARLINGTON HAS A
TIMELESS CONTEMPORARY FEEL

HARLINGTON

Uniquely for its size the Harlington has a separate entrance hall providing extra storage space and a large living space and rigid vinyl cladding is standard for 2019. The 2 Bed model features a bath as standard.

Included in the range is the Harlington Plus which includes two 14ft models adding more choice to this stylish range.

The Harlington has two stylish free standing sofas which are complemented by a large footstool. The modern flame effect fire is set in a feature wall. With French doors and full height windows the Harlington is the perfect match for a large decking area in order to enjoy the outdoor lifestyle.

The separate entrance hall leads into a spacious open plan kitchen and living area with a central table and chairs ideal for informal dining. The Harlington is packed with additional features such as; an integrated fridge freezer and built in microwave as standard.

HARLINGTON

The lounge is inviting and cosy with a brand-new feature wall with in-built fire. Surrounding this are two large bookcases with storage below making it the ideal place to showcase ornaments or store books ready for a relaxing read.

The modern theme is continued into the master bedroom with a blue feature wall to catch your eye. This complements the headboard which is finished in matching fabric to the curtains and optional scatter cushions and bed runner.

HARLINGTON FEATURES INCLUDE

EXTERIOR

- White PVCu double glazing
- French doors to front elevation
- Rigid cream vinyl exterior cladding

R

SOMERTON

WITH THE FEELING OF A COSY
COUNTRY COTTAGE THE SOMERTON
IS WARM AND INVITING

The Somerton is designed to imitate the warm and cosy feel of a country cottage. Style is at the heart of the Somerton with features such as the log burner effect fire, integrated storage and the overall attention to detail which is visible throughout the holiday home.

SOMERTON

SOMERTON

The lounge has a spacious look whilst managing to retain that cosy feel with a checked upholstered armchair and 3 seater sofa positioned opposite an electric log burner fire, perfect for an evening by the fire.

The Somerton offers detailed design without compromising on practicality. One of the highlights of the Somerton is ample storage with display units by the fire, console table with drawers and a side table.

The kitchen is tastefully finished with rich oak units and decorative stone effect worktops. These are enriched with a dash of Dakar on the cupboard doors to keep that sense of warmth whilst brightening the space. This is complemented by the country style dining table and roll back chairs.

The large master bedroom boasts luxury usually found in more expensive holiday homes. With an en-suite shower room, dressing table, walk-in wardrobe and designer headboard, the Somerton is comfortable, practical and reminiscent of a country hotel. For that finishing touch, optional bed runners and cushions are available in matching patterns to the curtains.

SOMERTON FEATURES INCLUDE

EXTERIOR

- White PVCu double glazing
- French doors to front elevation
- Claystone Rigid vinyl cladding
- Domestic style gutters and downpipes

CONSTRUCTION

- Twin axle pre-galvanised steel chassis with detachable tow bar

HEMSWORTH

WITH A CALM AND
CONTEMPORARY
INTERIOR

HEMSWORTH

New for 2019 The Hemsworth has a spacious feel combining modern living with all the practical detail included. The Hemsworth boasts an extensive range including both 13ft and 12ft models. The large front windows with optional outlook doors are designed to maximise your external views and light while providing practical access to your outside space.

The beautiful Brise Soleil separates the kitchen and dining area without compromising the open plan living. The lounge features a two and three seater sofa suitable for hosting family and friends. The Hemsworth benefits from plentiful storage in the form of a bookcase and open shelving throughout.

The kitchen layout has a cosy feel and has been designed for ease of use with everything to hand including cooker with separate grill, a large integrated fridge freezer and ample storage.

HEMSWORTH

The inviting, light and airy bedroom spans the width of the holiday home. Behind the bed lies a walk in wardrobe and an en-suite shower room. The large dressing table provides plenty of space and the tall drawer units ensures there is enough storage.

HEMSWORTH FEATURES INCLUDE

EXTERIOR

- White PVCu single glazing
- Large front windows with panoramic view
- Sandstone aluminium cladding
- Domestic style white gutters and downpipes

LULWORTH

THE LULWORTH HAS A VIBRANT
AND FRESH FEEL

Brand new for 2019 The Lulworth features a bright colourful scheme and light wood effects throughout, creating a modern contemporary home. Light pours into the living area through the large panoramic front windows or optional French doors.

LULWORTH

The new Lulworth features a bright colourful scheme, creating an inviting and contemporary holiday home. Light pours into the living area through the large feature front windows or optional French doors, this ensures views can be enjoyed from all sides.

Stepping into the Lulworth, you will be amazed at the spaciousness of the kitchen, which features a free standing dining table, integrated fridge freezer and cooker. Attractive stone effect worktops in the kitchen are enhanced by the subtle pastel colour of the cupboard doors, whilst the ample storage cupboards and large open shelving add to the practicality of the kitchen.

A good nights sleep is guaranteed in the Lulworth, with a large master bedroom housing a king-size bed and high quality mattress. Space is used effectively with built-in spacious wardrobes, a vanity area at the foot of the bed and an en-suite w.c. The bedroom has an elegant blend of usability, luxury and style.

R

SEASCAPE

AN INTELLIGENT USE OF SPACE
WITH THE FEELING OF A
COASTAL RETREAT

SEASCAPE

The Seascape is new for 2019 and boasts an intelligent use of space with all the comforts of home. Large panoramic windows fill the lounge with light and the option of French doors can enhance the practicality of this light and airy holiday home.

The lounge has a bright coastal feel with a wood plank effect vinyl floor as standard. The sense of space is apparent the minute you walk through the door.

The tuck away kitchen stools ensure this practical kitchen layout provides plenty of room for enjoying family time together, whilst the silver coloured fridge freezer ensures the Seascapes has a contemporary feel. With the addition of ample storage space the Seascapes is truly a practical holiday home.

SEASCAPE

With a refreshing colour scheme the Seascape bedroom combines the high standards of style and functionality you would expect from a Regal Holiday Home. With the exception of the 28 x 12 and 30 x 12 2 bed models, all Seascape models are provided with an en-suite w.c. The Seascape offers a comfortable, practical and modern home that allows you to leave your hassles at the door.

SEASCAPE FEATURES INCLUDE

Built-in Peace of Mind

At Regal Holiday Homes we are committed to providing the very best in comfort and safety for our customers. All of our models are designed and built in accordance with British and European standards EN1647 and EN1949 and certified by the National Caravan Council (NCC). Fire extinguisher, smoke and CO detectors are all fitted as standard.

Chassis

A fully galvanised chassis is standard on the Symphony Lodge and the Artisan Lodge. A pre-galvanised chassis is standard on the Harlington, Somerton and Hemsworth and is available as an option on the Lulworth and Seascope.

Roof Construction

The rafters used on all of our roofs have been successfully tested and approved up to a grade B snow loading. Our holiday homes all have a minimum 100mm fibre insulation, a breathable moisture resistant membrane and Versasteel plastisol tile effect roof sheets. Much of the strength in our roofs is derived from the fact that we build all of our roofs in one piece providing extra strength.

Cladding

A choice of external cladding is available, including aluminium, rigid vinyl, wood effect Canexel, timber log-lap. See page 69. Excludes the Seascope range.

EN1647 Wall Construction

Our holiday homes are constructed using a decorative wallpapered internal wall board, timber studding incorporating polystyrene or glass fibre insulation where applicable and finished in rigid vinyl cladding or an aluminium exterior.

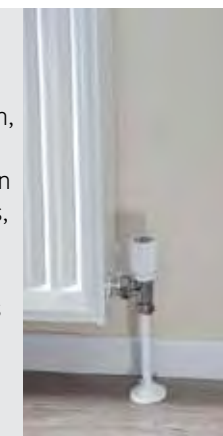

Appliances

All current Regal models are fitted with branded appliances where applicable, including: built-in gas cookers, modern electric fires and fridge freezers.

Gas Fired Central Heating

Available as an option in the Hemsworth, Lulworth and Seascope models and standard in the Symphony Lodge, Artisan Lodge, Somerton and Harlington models, central heating provides all round comfort. Our central heating systems contain condensing combination boilers which offer better efficiency, economy and include a specification in line with domestic requirements.

Thermostatic Showers

All Regal Holiday Homes are produced with fully enclosed shower cubicles ensuring no water comes in direct contact with the ceiling or wall. All of our showers are fitted with thermostatic mixer valves as standard for your added safety and to prevent scalding.

PVCu Window Systems

Regal Holiday Homes energy-efficient glazing keeps your holiday home warmer and quieter as well as reducing your energy bills. In addition to a smaller carbon footprint energy-efficient glazing reduces condensation build-up on the inside of windows.

Domestic standard PVCu double glazed windows and doors are provided as standard on the Symphony Lodge, Artisan Lodge, Harlington and Somerton models. Single glazed windows are provided as standard on the Hemsworth, Lulworth and Seascope models with the option of double glazing if required.

Relax - Quality Guaranteed

At Regal Holiday Homes we take great pride in the level of service we offer our customers. After purchasing one of our models we have a dedicated after sales team and warranty cover designed to provide peace of mind. We are proud of our reputation for good service and believe that a satisfied customer is more likely to purchase another Regal Holiday Home when the time comes to replace their existing holiday home.

Warranty Schemes

Two year warranty

Given our reputation within the industry for producing a quality product, we offer a 2 year warranty on all of our holiday homes **(excludes appliances which are provided with manufacturer's warranty)** from the date you take ownership of your new holiday home, subject to certain terms, conditions and exclusions. In addition to the 2 year full warranty, to provide you with increased peace of mind we offer a further 4 years of warranty cover on specific structural items, subject to certain terms and conditions.

The full details of this warranty can be obtained by contacting our Customer Service team or by contacting one of our approved distributors.

Six year structural warranty

In addition to the 2 year full warranty, to provide you with increased peace of mind we offer a further 4 years of warranty cover on specific structural items, subject to certain terms and conditions.

Our warranty covers issues arising from faults and defects during manufacture and excludes issues arising from causes such as wear and tear.

Ensuring Your Safety

In order to ensure your safety when enjoying your Regal Holiday Home, all ranges come with the following standard features

- Fire extinguisher
- Smoke alarm
- Carbon Monoxide (CO) detectors
- Emergency escape window(s)
- Flame and match resistant soft furnishings
- Toughened glass to required areas
- Thermostatic shower and tap mixers

Thermaplus

Thermaplus is Regal's additional option for adding extra insulation to your holiday home and enhancing the thermal rating.

The Symphony Lodge, Artisan Lodge and Harlington Plus come with Thermaplus as standard, with a thermal rating up to 9.

Holiday in comfort with our enhanced thermal package.

The Thermaplus option includes:

- Enhanced wall insulation
- An extra 50mm of fibre glass to roof and floor insulation
- Low-E glass to windows and doors

The Thermaplus package could not only **save you up to 20%** on heating bills (compared to standard holiday homes) but will also reduce outside noise levels. Thermaplus is available on all caravan holiday homes, except the Lulworth and Seascape ranges.

Superior Comfort Mattresses

Given that we spend a third of our lives in bed we believe it is worth investing in quality mattresses. Our storage beds offer an innovative solution if you require additional valuable space.

The main bedrooms in the Symphony Lodge and Artisan Lodge are supplied with a pocket sprung mattress as standard and the Harlington and Somerton are supplied with a class “A” mattress as standard.

Optional Bed Sets

We are pleased to offer optional bedding packs. These come as standard in both the Symphony and Artisan models.

Bedding set includes: co-ordinated bed runner for each bed and two scatter cushions for the double bed and one scatter cushion for each single bed.

Exterior Cladding

At Regal we offer a wide variety of exterior cladding finishes and external window frame colours for you to choose from. You can create a holiday home that reflects your tastes, or to blend into its surroundings.

The standard cladding used (i.e. the option that is fitted as standard) varies between our different holiday home ranges. Please refer to the table below to see which cladding styles are available on the range you are interested in.

Aluminium Cladding

SANDSTONE

STONE GREY

ENVIRONMENTAL GREEN

The traditional finish for many holiday homes, offered in three colours. Sandstone and environmental green cladding comes in a crystal textured scratch-resistant finish, whilst our stone-grey cladding comes in polyester gloss.

Rigid Vinyl Cladding

CREAM

CLAYSTONE

GREY

ENVIRONMENTAL GREEN

A modern rigid vinyl cladding designed specifically to enhance external applications, with a realistic wood-grain finish. It is extremely durable and moisture resistant, does not fade when exposed to sunlight or change shape, peel or crack under the influence of temperature.

Canexel® Cladding

MIST GREY

SIERRA

ACADIA

CLIFFSIDE

CanExel's Ridgewood D-5 lap siding has the genuine look and warm appeal of Dutch lap siding.

Durability You Can Count On

The CanExel cladding we use has been subjected to outdoor testing in different extreme climates. It also undergoes UV testing in various climates, from intense cold to intense heat.

Log-Lap Cladding

For that log cabin look. Our timber log-lap cladding comes treated with a multi-layered coating. The cladding is a natural wood product. As such, it will contain knots, grain pattern imperfections and require annual maintenance.

The above cladding images are a close colour representation only
